FINAL REPORT

Attach a report of educational activities conducted in observance of National Coin Week 1983. Supplement your report with documentation, such as press clippings, letters of acknowledgement, programs, bulletins and photographs. The quality of your presentation and documentation will be considered when reports are chosen for publication in THE NUMISMATIST. Large, elaborate reports are discouraged, but reports in scrapbook form are quite suitable and should be considered.

New ANA members recruited during your National Coin Week campaign should be listed on the reverse of this form.

CERTIFICATES OF PARTICIPATION

Certificates will be provided to clubs and individuals submitting FINAL REPORTS and to the individuals and organizations designated by them. Your report should include a printed or typewritten list of club members, institutions and other individuals whose support contributed significantly to the success of your local National Coin Week campaign. Certificates will be sent to the above address for distribution.

All FINAL REPORTS should be sent First Class Mail, postmarked on or before May 27, 1983, to

FINAL REPORT

ALL MATERIALS have been distributed and hung up.

The reason I participated in the 1983 National Coin Week is to tell people that there is just more than collecting, but a story behind every coin. I hope for all the young that they start coin collecting as it is a good way to invest their money instead of spending it on nothing. Hopefully the posters will encourage the adults to encourage the young. I sure am glad some one encouraged me! I have something to be proud of now!

Thanks

P.S. I would much like this published for all the kids reading or just for the adults to encourage their kids or clubs to encourage the youth.
